Believe It Or Not??

Remember the last day of school when your summer had only just begun? Everyone was thinking of going out and having a good time. No one thought of August and back-to-school days. So you had to enjoy those last few weeks and really live it up.

The 1979 summer ended and believe it or not, school was just around the corner. It was time to get yourself together and prepare for the days ahead.

1. Students enjoy their last night out.
2. Luba Petryna lines up for the new styles.
3. Linda Wilkie and Gail Zyla are checking out what's new in school supplies.
4. No folks, they look a little small!
5. Debbie Painter tries on the new look for the season.

UPPER RIGHT — Junior Dennis Russell concentrates on mowing 'em down.

MIDDLE RIGHT — Work or play? It's really hard to tell as Gavit cheerleaders Kelly Kros-lack, Melinda Hastings, and Adele Rush clean up those dirty cars.

LOWER RIGHT — Gavit's Gladettes are working hard to get in step for all of this year's action.

Summer Workin' Summer Playin'

Summer has always been looked upon with far more enthusiasm than any other season of the year. During the summer of 1979, those 87 degree days were no exception. For some, summer might have simply meant no school and therefore no work, but, for others, it was only a beginning. They occupied those long hot days working at all different types of jobs. Having a goal in mind, they were ambitious and set out to achieve it. Throughout the summer they grew and learned because of that experience they gained.

It wasn't all work, however, because when the work was over the fun began. It was time to enjoy all of the activities typical of the season. Almost everyone took advantage of the weather to enjoy all of their favorite summer pastimes. Not a moment was wasted because they realized that all too soon it would end. The summer of 1979 would be a memory like all of those past and school would begin again.

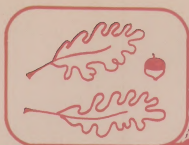

UPPER LEFT — Camping outdoors seems to bring smiles to sophomores Donna Stone and Karen York and junior Mary Saltanovitz.

MIDDLE LEFT — Junior Bob Bukowski appears to be a real swinger as he attempts to sink a putt.

Picking Up The Pieces

"Wow — September already — time to go back-to-school shopping. Back to school . . . what a **DRAG!**

"Hey — cool out, school isn't that bad. It will give you a chance to catch up with the friends you haven't seen all summer. School isn't just work, you know. Think about the sports, dances, and parties. I don't have to tell you — isn't that all you've been talking about for the last week and a half?"

"You know, you're right . . . I almost forgot, I even get to go to prom this year. Hey, thanks alot — Dad."

1. Fall . . . a time of thought.
2. Coach Jamrose welcomes students to Gavvit at a pep rally.
3. Robert Caillouette makes some last-minute preparations while waiting for counsel.
4. Randy Scott enjoys a "Day in the Park."

1. The Jett Set.
2. Good friends forget school for a day.
3. Football players encourage teammates.
4. Joan Miller hustles for the ball at practice.
5. Goofing off — everyone's favorite pastime.

One can always tell when fall begins at Gavit High. Football season starts with all its festivities, such as spirit week that took place the week before the game. The students expressed their class spirit by decorating the halls and attending the pep rally. Class of '80 took the 1979 spirit award, and the Class of '81 took the Float award. All the classes did their best to display their pride for Gavit High. Each Gavit student showed in the '79 Homecoming — "There ain't no stopping us now — or ever!"

1980 Winter

Winter at Gavit is an interesting time of year for faculty and students alike. The snow and freezing temperatures cast a serious yet comical outlook for everyone. Whether slipping and sliding or pushing your car to school, the majority manage to crawl in. Dodging snowballs, drowning in slush, and frostbite were just some of the winter festivities of 1980.

Although there are many mishaps during the winter months, it is hard to keep a totally gloomy outlook on winter. It's a well-known fact that moods change once the Yule Tide season arrives.

1. C. Kucer enjoys decorating the Christmas tree. 2. L. Kucer and D. Curtis have a quiet walk home from ice skating. 3. Seniors going for a winter drive. 4. Gavit students display 1980 fashions.

1. Students dress for a typical winter day at Gavit. 2. Everyone needs to take a break from studying for January finals. 3. This is not an unfamiliar scene for most Gavit students. 4. D. Russell and C. Miller struggle in the halls to get their boots off.

We left a spot for your Inaugural picture so you can keep it as part of your winter memories.

MIDDLE RIGHT — In the River Oaks Christmas display, Santa seems to be checking his list to see who has been good and bad this past year.

Winter Wonderland

A major part of winter in the Calumet area is snowfall. The scenes of snow can be beautiful or frightening depending on how you look at them.

A really exciting part of winter in any region is Christmas. Starting off with the Christmas parade and the store decorations a person can get into the holiday mood early. The Hammond parade featured such celebrities as the world-famous Santa Claus and the Gavit Band.

Your memories of winter can be completed with your Inaugural picture in the space provided and alot of reminiscing.

UPPER LEFT — Santa brings up the end of the Christmas parade.

MIDDLE LEFT — The Gavit Band plays the music of "The Sound of Angels" which is a collection of famous Christmas songs.

Spring Has Sprung — Every- Thing's In Bloom

During the months of March, April and May, Spring is blooming everywhere. Everyone is getting out and having good 'ole fun in the great weather. The temperatures are in the 60's and 70's, and the sun is out almost every day.

Spring means different things to everyone. For the seniors, it means the completion of four long, hard years. For the juniors, their first Prom. For the sophomores, they receive their class rings. For the freshmen, they are just completing one of the most exciting years of their lives. Last but not least, the teachers and some of the school staff will soon begin the three fun-filled months of NO SCHOOL.

1. K. Starastu demonstrates to C. Kucer how to shoot pool. 2. C. Kucer, R. Plawecki, K. Starastu and D. Russell enjoying a picnic in the park. 3. A Spring event is an initiation of members in Honor Society. 4. The beautiful flower has put D. Painter in a trance.

*Spring time has come
The grass is turning green
Flowers are in bloom
Everywhere to be seen*

*It's time to spend a day
Outdoors in the sun
So grab a bat and ball
And get ready for some fun!*

Always And Forever

On May 5, 1979, the Junior-Senior Prom was held at the Wicker Park Pavillion. The theme for this joyous event was "Always and Forever."

Couples began the evening with the music of Saturday Night Special. The rest of the evening the group Monterey put its romantic spell on the couples.

Prom Chairpersons Heidi Waywood and Sheila Tite added a new dimension to picture-taking. Each person was entitled to take a single pose for a special remembrance.

"Prom night has finally come and I am **EXCITED!** It's almost time for my date to arrive and I'm still not ready! I'm so nervous that I bumped into a chair, and put a run in my

hose, my hair won't go the way I want it to, I almost lost my contact lens, and my makeup looks weird. What Luck! The doorbell is ringing and **WOW!** does my date look great!"

As mom is taking the last picture on the roll, and we get ready to leave, I can tell that this is definitely going to be one of the most memorable evenings for a long time to come."

The program included a welcoming speech by Dr. Jones followed by the opening prayer given by Paul Dolak. Milan Jurich then gave his president's address. Speakers of the evening included Beth Bauer, Zoran Milanovic, Jody Kosanovich, and Kathy Salmon.

On Wednesday, June sixth the class of 1979 received their long-awaited diplomas. Although this is a time for relief and happiness, it is also a time for tears and remembrance. So, on this June evening, all the new and unanswered questions suddenly came to mind for these 244 graduating seniors.

The honored seniors of the evening were Co-Valedictorians Milan Jurich and Zoran Milanovic, and Salutatorian Beth Bauer. Sponsoring the graduation class of 1979 were Mrs. Rebecca Board and Mr. Kenneth Petyo. The class officers were president — Paul Dolak, vice-president — Dana Shike, secretary — Carolyn White, and treasurer — Greg Augustyn.

On Thursday and Friday, March 16 and 17, 1979, the drama department, under the direction of Mr. Stiglitz, put on the play "West of Pecos." Thirty-two of Gavitt's most talented actors and actresses presented this old-time western. Complete with costumes from the past, good guys and bad guys, and a lot of talent, the play became a success.

On the nights of March 16 and 17, a total of 636 spectators flocked into the auditorium to enjoy this old-time western.

Major attributes of the play included an excellent plot, fine acting, and suspense — Another fine performance presented by the Gavitt drama department.

1. Bad guys take their stand. 2. Montana has discovered the secret to Lily's identity and reveals this to Cayo Claiborne. 3. Chaps wonders if only the good die young. 4. "You'll hang for your crime against Lily Langtree, Orin," says Judge Roy Bean.

Every year after the pep rally on Thursday night, students go and paint the bridge that divides Munster and Hammond. Usually there is only about 25 to 30 students; this year, there were 300 students and alumni.

The Hammond police blocked traffic so the students could paint as long as there was no trouble. Munster's police sent a riot squad, a number of police cars, tear gas, and fire trucks. The Gavitt students were accused of starting a riot and were hosed down by firemen while policemen threw tear gas canisters. Students left peacefully but still held a grudge against Munster. There was a controversy between Gavitt and Munster over the bridge which made the newspapers, but now the incident is only a memory.

1. Students enjoy painting before trouble arises. 2. Students and alumni stand in shock after being hosed down. 3. Tear gas floats through the air. 4. Police check the bridge after all the students left. "What a mess!" 5. Students run off the bridge as tear gas canisters are thrown into the crowd.

The spring of 1980 was full of many events. On Friday, April 18, after a one year intermission, the Sophomore class sponsored the Sadie Hawkins. While numerous contests were going on, people dressed as hillbillies, had straw fights, got "hitched", or listened to the jukebox.

On April 25, the Gavitt Choral department presented their annual Spring concert. "A Tribute to Walt Disney" was a combination of skits and songs from various Disney productions.

May 5-10 Dan Groski was Gavitt's proud representative to the International Science and Engineering Fair. He was also presented an award from the school board for his tremendous success.

The highlight of Spring this year was the jailing of Dr. Jones on May 9th. In an attempt to raise money for the Health Fund, H.E.R.O. devised a plan in which Dr. Jones had to meet or exceed the amount of money raised by the students. At the end of the day he was released after a combined total of \$1,088.79 had been raised.

1. Alumni, Don Jezierski and junior, Janna Latham, ask the photographer, "Would you like some salad"? 2. The garden dance proved to be rewarding, as the men display "their" gardens. 3. Alumni, Jeff Cieslak and senior, Lynette Orcutt, deposit their hopeful choices for the 1980 prom queen.

It was a warm night in May, May 10, 1980, to be exact. The mood was captivating, yet tranquil inside the ever-so-romantic Cameo Club, located in Schererville. It was agreed, the prom chairmans, Beth Winkley and Laura Schmitt, had done a lovely job. The theme "Cherish" seemed to fit the feelings of everyone.

Heads turned as Mercy and Harvey entered the room. They made a lovely couple with she in her Sears formal and he in his Dunhill tux. They slow danced to the easy sounds of Night Magic; then later in the evening boogied to the beat of Fluid Motion.

Suddenly the lights went dim. It was time to announce the 1980 prom queen. The court members and their escorts: Carrie Brzozkiewicz (Dave Shavey), Christine Kucer (Ronnie Plawewski), Sheila Tite (Nick Kikalos), and Cheryl Vance (Tim Eder) gathered together. It was unanimous, Sheila Tite won the title.

Harvey was so happy, because this year he was able to bring sophomore, Mercy Johnson. Tradition changed somewhat, but Harvey wasn't complaining.

Even though the evening was coming to an end, it was really just beginning for some. Mercy and Harvey were looking forward to a big day at Turkey Run while others would be enjoying themselves at Great America and the ever-so-popular beach. Mercy and Harvey will always look back on these two days as being "special".

Senior Honors Days

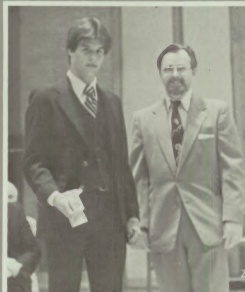

As another busy school year came to an end, a time-out was called to recognize the outstanding seniors. This year the honor of being valedictorian was shared by two girls, Cindy Snedecor and Ann Wisniewski. Cindy Dahn was honored by being named salutatorian.

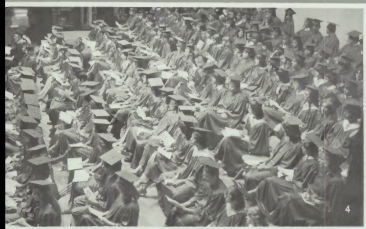

The class sponsors, Mr. Johns and Mr. Hayes, gave out the awards of Outstanding Senior Boy and Girl to Joe Sturonas and Amy Jankowski. The senior class had voted for these students the previous week.

Numerous other awards and scholarships were also given to the deserving seniors.

1. Mr. Kopenc presents English awards to Ann Wisniewski and Cindy Dahn. 2. Outstanding Senior boy, Joe Sturonas, accepts his award from Mr. Johns. 3. Traditionally, graduation is the ending of what some people consider to be the best four years of their lives. Commencement is the beginning of that new life; a life that holds a future of changes.

This year's graduating class experienced a change in tradition along with their commencement. The graduation ceremony was moved from the gym to the auditorium.

On Wednesday, June 4, 1980, 196 seniors, donned in their caps and gowns, gathered in the auditorium to receive their diplomas, administered by Janice Vance, school board trustee. Co-valedictorians Cindy Snedecor and Ann Wisniewski, along with salutatorian Cindy Dahn, gave their farewell speeches to a class prepared to take their final walk across the high school stage. As that moment approached, the auditorium was filled with memories of the past and dreams of the future. The climax came as the seniors became graduates with the flip of the tassel.

Leaving the auditorium, a group that spent most of their lives together from September to June, smiled happily as a day for which they had waited for 12 years had finally arrived.

1. In Front Row seats, Co-valedictorians Ann Wisniewski and Cindy Snedecor, along with salutatorian Cindy Dahn listen attentively as Sue LaVelle opens the ceremony. 2. The acceptance of a diploma marks a new beginning for seniors.

Organizations Organizations Organizations

Students here at Gavir had a choice of over 30 different clubs and organizations. These ranged from large ones such as Mat Maids to the smaller ones like Twirlers.

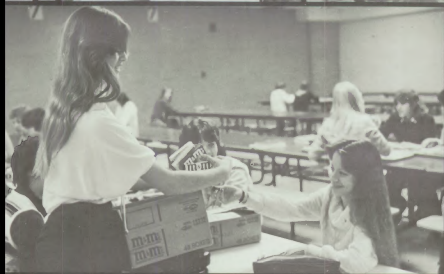

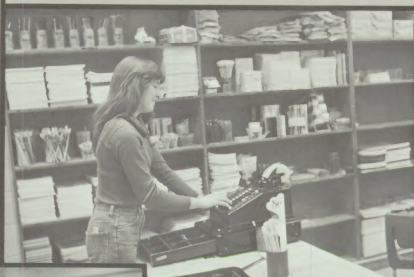

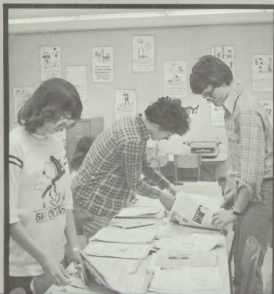

Variety was the factor and choosing depended on individual taste. A person chose to learn a skill such as deaf sign language or showed off an already acquired one.

Achieving a goal was the purpose of most of these clubs — Some of which this year included Student Council's adopted child and the M & M sale by G.A.A.

Working For Us

Dedicated toward improving both our school and the community, Gavitt's Student Council accomplished many things this past year. With great enthusiasm, they initiated successful United Way and UNICEF fund raising drives. A young Philippine boy named Juan Francisco Fuentes Cisaró was adopted and supported by Council.

Council emphasized its interest in the entire student body by announcing birthdays every morning. The increased membership was also responsible for many in school activities such as Student Appreciation Week.

Make It or Break It

Speech And Debate

As you all know, Gavitt has many clubs to offer. Deaf Sign Language is one of these many. This club has members interested in the welfare and aid of deaf people. They realize that the deaf are just like you and me, but they express themselves in a different way than most of us.

Gavitt also offers others such as Speech and Debate, if you enjoy expressing yourself in front of people, and Chess Club for those of you who enjoy strategy and competition.

Another fine club is Future Homemakers of America. In this club one learns the homemaking skills for today's survival.

Gavit's marching band started its practices at the end of August under the new direction of Mr. Anthony Gunia. Its first performance was at the August pre-season football game in which the band used corps style marching techniques. The band performed at all home games and marched in the Homecoming parade, and members also marched in the Hammond and Highland Christmas parades. The Hammond parade brought home a third place trophy which was the first since 1965.

The Concert Band performed its winter program on November 30, 1979. Musically it was a combination of march music directed by the drum majors, and Christmas music directed by Mr. Gunia.

The band members are as follows: G. Bell, J. Brown, D. Carter, N. Carter, C. Chang, D. Davis, D. Davis, R. Davis, K. Deardorff, D. Durkin, J. Devore, S. Dycus, C. Engle, R. French, D. Gajewski, K. Students saw a new group show their faces this year. They were the Gavit Twirlers. The Twirlers performed in the fall with the band at half-time, during football games, and marched in parades. Their winter performances included half-time at basketball games.

The Twirlers brought spirit to Gavit as did the pep club. Pep Club members cheered at football games and basketball games also helping to get other students involved in cheers.

Getting involved musically was what the members of the Ensemble club and Modern Music Masters did this year. By practicing extra hours, ensemble members brought the extra perfection to the music department.

Getting Involved

The 1979-1980 Pom Pom squad had only 15 members this year, but still gave some excellent performances. The co-captains were Lynette Orcutt and Cindy Snedecor, with Mrs. Hoekstra as their sponsor.

Football season was different because the Gladdettes performed with the

band at every game. They also marched together in Highland's Christmas parade, bringing home a Second Place trophy.

Gavit's Pom Pom girls added a bit of sparkle to half-time during basketball season by performing to such songs as: "Keep Pushin' On", "Dream Police", and "Roller".

"Being a Gladiator cheerleader here at Gavit has been fun," says the only senior member of the squad. This year the varsity squad of 5, headed by Beth Winkley, and the freshmen and B-team squads held a car wash. Money from this event was put towards the ICA Cheerleading Camp at Indiana University where Gavit won the Spirit stick and several ribbons for their excellent performances.

Practices all summer and after school kept the squads all together and the girls in shape. It took alot of hard work and diligence as always so the team captains Kelly Krosiak (B-team) and Lynn Zajac (frosh) helped keep their squad's morale up.

Gymnastics became part of the routine this year and helped improve everyone's coordination and added variety to the cheers.

Cheerleaders

Music plays an important part in the lives of many. Those people who were especially interested in music had an opportunity to try out for one of Gavitt's various choirs. The choir itself was chosen on a basis of singing ability and ambition. Freshmen had an opportunity to join their own group called, of course, the Freshman Choir. This group was also specially chosen and only open to them. In addition to these, this year marked the return of the Choraleers and the Treble Choir. The Treble Choir was a group of all girls who were blended together to sound as one. The Choraleers showed that they knew how to dance as well as sing. Throughout the year, especially at Christmas time the Choir was kept busy performing at various churches and practicing for the Christmas concert.

Learning is, after all, what school is about. However, students do more than learn the basics — they take advantage of the many facets of high school life, of growing up and of

those educational opportunities available to them. Those opportunities will prove to be invaluable to their futures although they might not realize it now. Likewise, our teachers

do more than teach. They have hobbies and interests that we might not realize. It is this combination of diversified ideas that is beneficial to our learning.

Science Is A Link To Future Lives

Curriculum improvements in the Science Department consisted of the introduction of two new classes — Earth Science and Advanced Biology. Earth Science was started this past year through the combined efforts of Mr. Farris and Mr. Kobe, the department chairman. The class gave students the experience of exploring Southern Indiana caves. Advanced Biology, a one-year class, consisted of Bio-Chemistry, Cytology, Ecology, and Genetics.

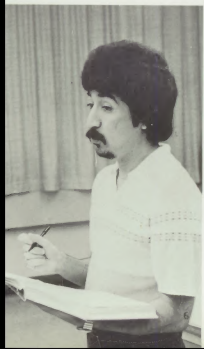

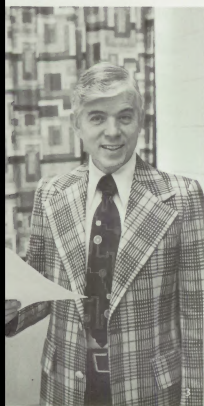

Other changes included the addition of two staff members, Mr. Katic and Mrs. Swain. Mr. Katic taught General Science this year while Mrs. Swain taught students taking Biology.

Language

Language

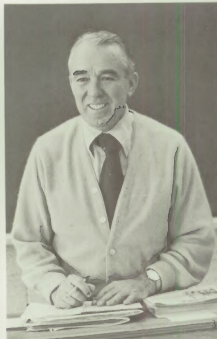

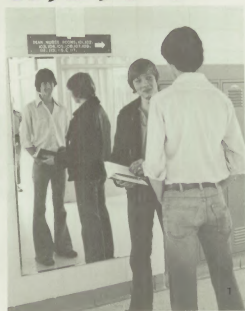

Gavit's Foreign Language Department offers high school students the chance to take French, Spanish, and German. Through these languages the teachers try to eliminate the language barrier in the world. This goal is always present in the classroom.

This year the Foreign Language Department was again represented in the I.U. Honors Program by senior Cindy Dahn. Cindy spent her summer in Krefeld, West Germany with a German family, putting her German to actual use.

Literary Reflections

Many of us think of Literature as just another subject in the course of a school day. Literature is much more than that. In a way, you could call it a "mirror to nature". Whether you live in the 20th century or the first, life goes on. Our ideas are basically still the same. Just picture yourself going to a costume ball and Queen Elizabeth going to a "Rush" concert. The idea of amusement is there, but you probably wouldn't want to stay long. That's what literature is all about. It is simply the reflections of the past to the present.

HERO Program Is Going Strong

This year was the second year for the Home Economics Related Occupations program which is headed by Mrs. Sandra Williamson. The HERO program enables the students to gain valuable work experience while they earn their credits for school.

This year the Home Economics department not only offered cooking and sewing, but they also offered courses such as Child Development, Family Relations, Consumer Education and Interpersonal Relations. These courses were developed for students who are interested in careers in the Family Sciences.

Students Gain Office Experience

The Distributive Education and the C.O.E. programs in the Business Department are growing and more and more students are involved in it. Mr. Robert Welte is the head of this department. Some Answers To Problems

Each year Gavit students compete in various math contests. So in order to prepare them for this, the math department organized a new club . . . MATH CLUB! The club, sponsored by Mrs. Prater and Mr. Willis, also gives the students a look at future subject matter.

The department hopes to revise its curriculum now that more and more eighth grade students are taking algebra. This will give them a chance to get ahead and to take more courses available to them. These new programs will help to solve some of the problems facing math students.

Special Education

Individuality Accepted

The title itself explains what this year's staff in this department is — special. These are the teachers who must have even more patience and understanding with their students than the teachers throughout the rest of the school. These are the ones who find their satisfaction in helping students understand subjects better and working with each student individually.

Gavit is proud to have such an excellent program under the direction of Mrs. Kozel. Thanks to them many students graduate with valuable skills. These skills become an important part of everyday life and may even mean a better job for the student.

Gavit Offers Useful Skills

The Industrial Arts department is that section of the school which is rarely seen by anyone not enrolled in shop classes.

Classes available included woods, where a student learns how to design and build his own projects; power mechanics, where students learn the basic functions of an engine; drafting, metals, and electricity.

Many of those enrolled in these courses come out with valuable skills which will mean benefits in job hunting, home fix ups, and life in general.

Historical Happenings

Social Studies Activities

One of the finest departments at Gavit is our social studies department. This department is headed by Miss Diane Clinton.

This department offers many interesting classes. Psychology and sociology are offered to juniors and seniors. These are, in Miss Clinton's opinion, two of the strongest classes. Also, a basically new class, "Teenagers and the Law", has been getting a good response. This class already shows much promise and many students enjoy it.

A Word Of Advice

This year's advisors have successfully finished another year of counseling. These advisors not only helped students with the usual tasks; such as schedule changes and such, but also with personal problems the students might have.

P.E. Promotes Good Fitness

Fitness is a great opportunity for many students to learn and achieve teamwork. Students can also learn the importance of keeping physically fit. P.E. provides everyone with the experience of competition and the excitement of winning.

Swimming, Basketball, and Football are among the many sports that students participate in during gym. They are part of the necessary gym activity involved in physical fitness.

Art And Music Develops Talent

Talent is singing the tune in rhythm or creating a masterpiece out of clay. In art, students learned many forms of expressing themselves in art and they learned how to use many of the tools that the class has to provide. Emphasis on the elements of design: line, color, texture, space and form is encouraged by the teachers.

In music, they were taught the different styles of music and the rhythms of each and their importance. The music department, consisting of the choral groups and the band, proved their talents to many as they performed in concerts, assemblies, and parades.

It's All In A

Day's Work!

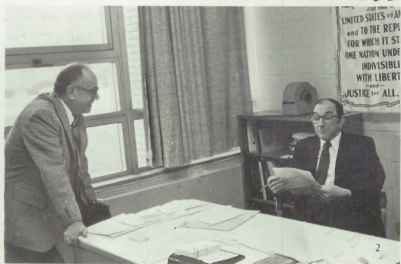

No one ever seems to realize how much we rely upon our efficient staff in order for Gavit to run smoothly day after day. The countless tasks they perform are vital to the operation of the school. Without the help of the secretaries, cafeteria staff, and custodians, it would be impossible for the school to even open. These individuals are as much responsible for our quality education as anyone.

1. Mrs. Veith handles one of the many daily calls. 2. SECRETARIAL STAFF: FRONT ROW: Mrs. Irma Veith, Mrs. Doris Middleton, BACK ROW: Mrs. Chris Jackson, Mrs. Mary Paquin, Mrs. Diane Denton, Mrs. Ruth Ann Barrell. 3. CAFETERIA STAFF: FRONT ROW: R. New Superintendent Of Schools Chosen

With the untimely death of Dr. Willard J. Congreve, Dr. Frank J. Sanders became the new superintendent of the Hammond Public Schools. Dr. Sanders intended to carry on with the same high standards toward quality education. Quality education was also a concern of our own administrative staff as they put more emphasis upon discipline and attendance policies.

1. Dr. Gary E. Jones; Ed. D., M.S., Indiana University; B.S., Youngstown State University; Favorite Season: Spring; 4 years at Gavitt. 2. Mr. Swaim and Mr. Saliga take a moment to share a laugh. 3. Teaching And...

A Job And A Challenge

A teacher's job isn't always an easy one but a certain combination of pride, dedication, inspiration and at times frustration allow them to continue. Day in and day out from September to June, they instill us with their knowledge hoping that we'll gain something from it. They do more than teach, however, because they enjoy more than teaching throughout the year.

1. Mr. and Mrs. Kobe enjoy merry-go-rounds even more than their son David. 2. Timmy and Tammy Hunt get a helping hand from their Dad, Mr. Hunt. 3. Mr. Guiden, Mr. Strbjak, Mr. Welte, Mr. Willis and Mr. Mann enjoy some conversation and relaxation at the teacher's picnic.

1. Mr. Strbjak has two very good reasons to smile.
 2. Mr. Guiden and Mr. Hartz try to hold things down at the teacher's picnic. 3. Mr. Jamrose gets a view of the world upside down.

Seniors

Seniors

Seniors

The class of 1980 experienced a feeling of loss as they finished their last days at Gavitt. They also felt a feeling of anticipation and excitement about the future. All together

as a whole the class of 80 had a fulfilling year. The sponsors who guided the students were Mr. Johns and Mrs. Hayes. The class officers were President, Dan Gorski; Vice

President, Amy Jankowski; Secretary, Susie LaVelle; and Treasurer, Tracy Hector. The Seniors graduated on June 4, 1980. Now they can begin their lives as young adults.

Seniors Receive Honors

Co-Valedictorian — Cindy Snedecor

Co-Valedictorian — Ann Wisniewski

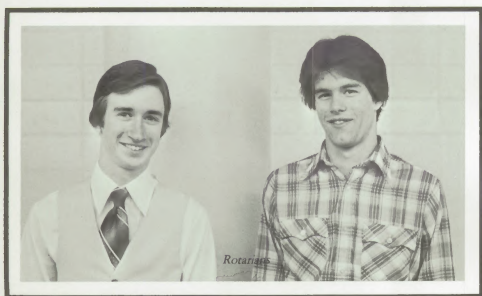

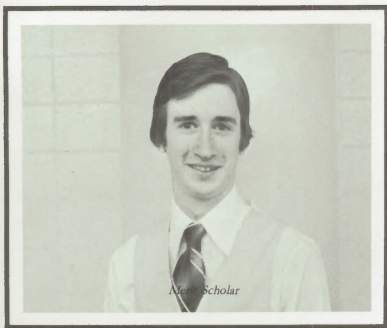

Salutarian — Cindy Dahn

As young kids we all had dreams of being someone special. Maybe the president or a famous dancer or even the Number One rock singer. Whatever you wished for, your dreams could become a reality with determination, hard work and lots of imagination!

Many students excelled themselves in each of their interested fields. As a result, ten fine students made it to the top of the Senior class. Co-Valedictorians were Cindy Snedecor and Ann Wisniewski and Salutarian was Cindy Dahn. Other Seniors accomplished some of their dreams by receiving recognition for their different talents. Many Seniors spent their summers experiencing and learning new things at different places across the country.

Even if the entire Class of '80' did not receive high honors, each student can feel proud of himself — because each student had one dream come true — it was GRADUATING! Congratulations and Best of Luck in the New Decade.

Freshmen

The newest editions to Gavit High School have become full-fledged members. They made it through the freshmen M & M sale, their first final examinations, and they constructed

Freshmen

their first Homecoming float. Although they didn't win any awards, their float was outstanding, they lived through finals, and their M & M's sold.

Freshmen

The leaders this year were C. Racham (Pres), J. Malicina (Vice), A. Mackiewicz (Sec) and J. Szalony, (Tres). Their sponsors, Mrs. Boyden and Mr. Kopenc survived too.

This section is dedicated to a unique class of people . . . people who have chosen to sacrifice their time, recognize their priorities, and honor their responsibilities . . .

people who strive for perfection, who build dreams . . . and face realities.

Much credit is due our athletes. It is extremely easy to complain or to give up when one is disgusted. These

young men and women who have picked themselves up time after time without hesitation or regret certainly have cause to be proud.

Working to make this season exciting was the Gavit baseball team. The team tried hard to make this season a good one. The two coaches,

Kujawa and Bradtke, really enjoyed working with the team this year.

The team achieved a third place tie in the conference standings. The one player from Gavit who received the All Conference Award was Jim Latham. Congratulations!!!!

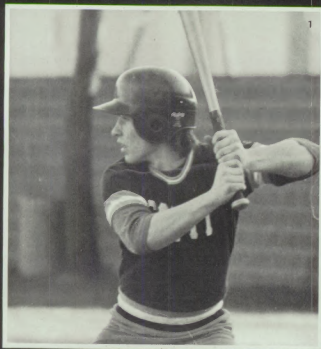

The season's record for 1979 was 13 wins and 10 losses. The team was happy to finish the season with no injuries.

The Game Of Love

The 1979 girls' tennis team started its season with a 3-2 win against Clark. The season ended with a 1-10 record, but the enthusiasm carried its own victory.

The team, as a whole, placed third in the conference tourney and fifth in sectionals.

Outstanding performances were made by Michele Duffala and Theresa Puchley as conference champions in doubles and later placed third in the sectionals.

A 'Hole' Lot Of Swinging

"Think hard and concentrate. Now keep it straight and follow through. Bring the club back and ... swing!! All right! It's going."

These were a few things going through the minds of the Gavitt golfers as they swung their way into a pretty good season. Led by Coach Manchak, the boys worked hard and long hours to show the skill it takes to play the game of golf. They ended the season with a 11-7 record. They came in third in Conference and also placed third in City. Five members played in Sectionals.

The Gavitt 1979 track season was very rewarding. The team's overall record was 8-4. They were 3rd in Conference and 2nd in Hammond Relays. Again, the Junior Varsity team were the indoor/outdoor champs, as well as placing 1st in I.L.S.C.

Senior Joe Sturonas was the high jump champ in both Conference and Hammond Relays. The 880 relay placed high in Conference and were the Hammond Relay Champions. Scott Templeton, a junior, was the Hammond Relays Champ in high jump. Congratulations team!!!!

Gavit Bootmen . . .

Soccer can be a tough, grueling sport as our Gavit Bootmen's record of 1 & 5 for the 1979 season shows.

Teamwork is one of the most essential characteristics in almost any sport. A win, as well as a loss, should be shared by the team.

Coach Georgevich led a team of three seniors, five juniors, three sophomores, and four freshmen by practicing with them diligently after school and helping them to plan their strategy.

1. Junior Tim Eder gazes on to the soccer field searching for an open player. 2. Junior Mark Sudicky shows the opponent the meaning of "being quick on your toes." 3. Concentration and Determination can be seen on the face of Senior Karl Koch as Junior Keny Osorio has wishful thoughts for a goal. 4. Coach Georgevich explains some detailed game strategy. 5. Some quick-paced, "fancy foot work" is demonstrated by Senior Doug Satterfield.

Touchdown Or Field Goal . . .

As the team ran onto the field, the fans roared and cheered them on. Gavit won the toss and chose to receive the ball. Everyone was ready for the kick-off and excitement could be felt everywhere. The ball was kicked very high and long all the way to the 10 yard line where it was caught by a Gavit receiver. On he ran, to the 20 . . . down the middle to the 40 . . . cutting to the sidelines past the 50 . . . still running to the 30 with a block at the 10 yard line and into the end zone . . . TOUCHDOWN GAVIT!!!!!!!!!!!!

The 1979-1980 varsity football season was led by Coach Jamrose, Coach Vaught and Coach Arges. This year's record was 2 wins and 8 losses. The varsity football team finished 4th in the City Standings and 7th in the Conference Standings.

CONGRATULATIONS to Bob Thompson for getting an individual honor. Thompson received the All Conference Offensive Back Award.

The team played hard and did its best to give Gavit Gladiators something to cheer about. Just wait till next year!!!!

B-Team Gains Experience

Sophomores and Juniors make up this team of hard working guys. The year focused on getting the team prepared to play varsity and in the right shape for a better defense. Next year's varsity team is in store for some excellent players.

The coaching staff of Bill Vaught and Jim Arges tried to put the strategies of the underclassmen into effect by stressing pattern and form. With this in mind, the guys gained experience and developed a sense of teamwork.

Always ready with criticism and encouragement, the coaches saw the

guys through a tough season and prepared them for future victory.

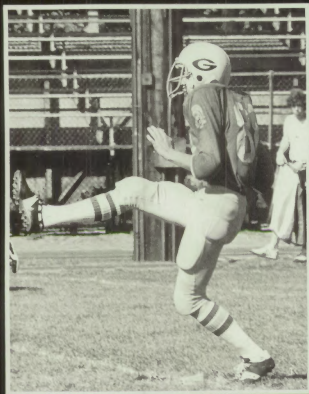

Although their games were not as publicized as the varsity games were, they were often as exciting and proved to be more than just fun. The varsity team will benefit from the experience gained during the season.

1. Junior, Tim Sandefur shows the perfect form for a kick off. 2. Sophomore, Ron Gaskey struggles away from the opponent to gain a few extra yards. 3. Quarterback, Greg Sudicky passes the ball to a nearby teammate.

Frosh Show Promising Future

The class of 1983 showed the world their athletic skill on the football field this past year. With a total of six wins and three losses, they are sure to become Gavit's next champs.

Their success was due to strong offensive and defensive players — Not to mention a great deal of hard work, practice, and determination.

Mike Havens and an alumnus of Gavit, Rex Thompson, have put together a fine football team and have worked to improve their assets. Next year should show a fine B-team.

1. Coach Havens calls a time out to explain the next play to Kevin Eagan. 2. Freshmen Team: Front — D. Burns, D. Creviston, P. Siebert, C. Goggans; Middle — J. Sweeney, J. Darczewski, K. Eagan, J. ... Swings Into Action

Tennis, being the competitive sport that it is, takes much practice and determination. Our boys' tennis team showed their spirit throughout the 1979-1980 season although it might not have been the best season the team has ever had. Concentration, quickness, and agility are requirements needed by participants in many sports and tennis is no exception. Even though it is a one-to-one competition, a loss can be felt among the whole team. Yet a win can be

shared between the team and the victor himself.

Coach Richard Jay and his boys spent much of their time at Wicker Park. Coach Jay had to start from the beginning with this year's team because every one was new, with the exception of one player, senior Mark Sudicky. Improvement was shown among both doubles teams; Scott Templeton and Ron Seljan, and Ricky Davis and his partner, Chris Rackham. Teamwork and support

from other team members were necessities to help build confidence and this was shown in the improvement of both the doubles teams and the singles players. The tennis team has gained much experience to better the tennis teams in future years.

Harriers Have

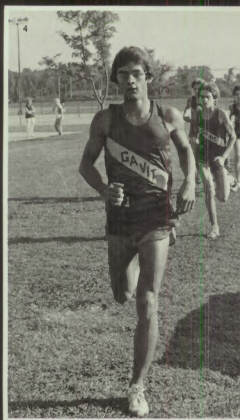

Practice, practice, practice. The Gavit Harriers had plenty of practice as they averaged about fifty miles per week. The two and one half miles in a meet may seem small in comparison to the territory covered during practice days, but the competition in this sport is always stiff. However, the team members managed to end the season holding their heads high as they entered twelve runners in the Sectionals and seven in the Regionals.

The Harriers earned a third place conference standing. Dale Carter was

the winner of the Rennselaer Invitational, Gavit captured the Indiana Lake Shore Junior Varsity Conference championship. The Harriers hold an eight wins, four losses record, and Coach Abrego looks forward to another winning season next year.

Volleyball is one of the fastest and most exciting games around, and, if one is looking for action, that's the name of this game.

Gavit can boast of two all-conference seniors this year. They are Karyn Zasada and Maureen Rosko. Kay Stephens and Connie Pazdur received honorable mentions.

Although the girls' season did not seem too successful, the team members had a great deal of fun, and are anxious for a victorious season next year.

Gavit Gators Swim

The 1979-80 Boys Swim Team swam to an overall season of 4 wins and 8 losses. The Super Senior Chuck Novak set individual records in two events: the 100-yard freestyle, 51.50; the 100-yard butterfly, 100.00. He also was 5th in the 50 freestyle and 3rd in the 100-yard freestyle in conference. In regionals he placed 5th in the 50-yard freestyle; 4th in the 100-yard freestyle. Also taking top honors were the 400-yard freestyle relay team of Novak, Jacobson, Blummer, Bobrowski who placed 3rd in conference and 7th in sectionals. Coach

Marty Jamrose was proud of his swimmers, who improved greatly this year. Special thanks to the aquanats who helped out at the meets either doing times or helping keep scores. The young team lost 3 valuable seniors: captains Chuck Novak, Judy Brown, and Steve Jacobson.

Let's Raise

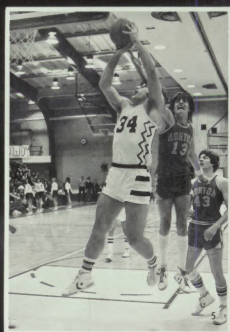

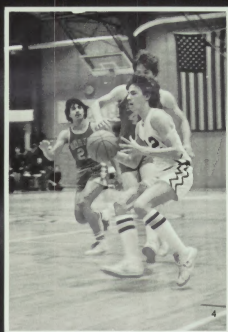

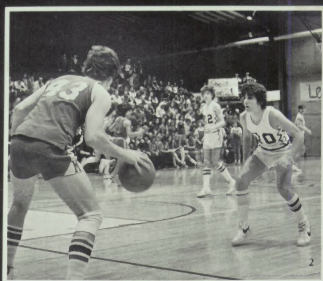

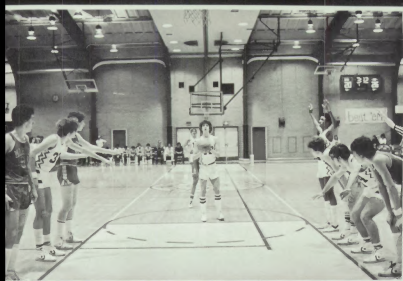

Our basketball team had a real challenging season. Their season ended with three wins and eighteen losses. Seniors that will be graduating after this season are Jeff Edens, Tim Hedge, and manager Charley Nagy. The juniors and sophomores on the team provide for a very promising team next season.

Even though this season was not the best for basketball, it was excellent for SPIRIT!! The Crowd was the most vibrant ever. The student body

had a lot of spirit and really backed its team this season. The crowd and student body not only had a lot of school spirit, but also had a tremendous amount of class spirit.

The crowd was ready to see The Gavit Gladiators play another exciting game against East Chicago Washington Senators. The crowd went CRAZY when Tim Hedge made the first "slam dunk" shot in Gavit's history.

Freshman And B-Team . . .

The Freshmen basketball team this year was new to high school basketball but they still gave it their best. With a record of 1 win and 13 losses, Gavitt's freshmen kept their spirit and enthusiasm during the basketball season. Under the instruction of Coach Richard Badovinich, the ten-man team did a terrific job at their first attempt at High school basketball. A victory over arch-rival Morton sweetened the season. After a tough game, Gavitt took them into overtime to win 25 to 24. Good luck to our future B-Team and Varsity players.

The Junior Varsity team gave the season all they had. Coached by Mr. Nino Muffoletto, Gavitt finished its season with a record of four wins and fifteen losses. Most of their games were very close with a difference of three or four points. One of the most exciting games was against Hammond High with a lot of back and forth scoring. Finally the end came after three overtimes with a loss for Gavitt at 57 to 62. Helping the team were J. Earl and L. Miklusk. T. Hedge and R. Davis got some valuable experience with varsity.

A player picks up the bat and approaches the plate. The pitcher throws a curve and a 'crack' can be heard as the ball sails into the air and out of the field.

... Slides Into Home

This can be a typical description of a baseball game; excitement and action, all centered around fun. Baseball is an all-American game and played with a great amount of pride and enthusiasm. All this can be found on any given day you would go watch the Gavit baseball team during a routine practice or a conference game.

Coach Muffoletto returned for his second year, and along with Coach Bradtke, helped supervise the practices, worked on special plays, and

gave each individual any help that was needed.

The returning seniors, Bob Thompson and Jerry Kolarczyk, helped the team by giving their all during their last year on Gavit's team.

This year's most outstanding player was probably junior Tom Puchley. He showed his ability in his performance in centerfield and the batting box. Junior Bob Baliga showed the most improvement on the pitching mound.

1. Junior Bob Baliga winds up and is ready for the pitch.

2. Mr. Bradtke gives Kurt Beal some extra pointers on successfully stealing second base.

3. An opponent, finding it almost next to impossible to steal a base from a Gladiator, is called out by the umpire.

4. The bench waits in hopeful suspense as sophomore Ron Seljan gets ready for a hit.

The Girl's Tennis Team started the season off right with an excellent and hard-working team. After placing 4th in the Conference, the team ended the season with a 3-11 record.

Outstanding performances were made by Senior Maureen Rosko and Sophomore Lisa Duffala. Indiana Lake Shore Conference Doubles Champions were Maureen Rosko and Jennifer Kucharski.

These girls deserve much credit for staying with the team in spite of all the hard practices out in the cold

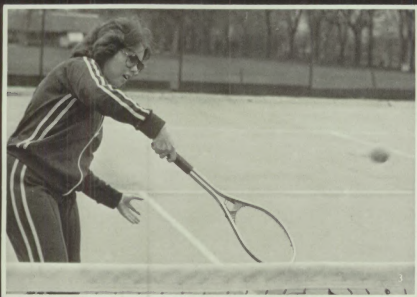

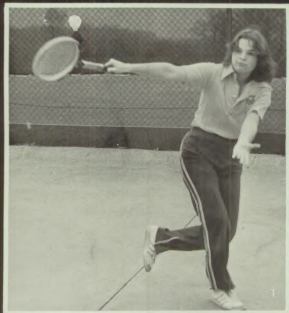

and coming in the morning before school. The team is sorry to lose Seniors Carrie Fulte, Cindy Schuster, and Maureen Rosko (Team Captain).

This year the girls got together and worked as a team which seemed to improve as the season came to an end. Mr. Swanson is looking forward to a even better season next year.

Best Season Ever

Gavit golfers have long been something to brag about and this year has been even better. With sophomores Paul Buda and Larry Gerdich behind the clubs and the two years' experience of senior Jeff Skufakiss the team couldn't help but have a winning season.

The game of golf is not highly glamorized and rarely draws large crowds of spectators, so the guys on the team worked hard to keep up Gavit's reputation and strive to reach their own goals.

This year, Gavit golfers took first

in the Lake Shore Conference Tournament and ended the 1979-1980 season with a 20 and 2 record. This put the gladiators into the number one spot and also made their new coach Jim Arges exceptionally proud. Talent, which has been displayed by all the team members, is enough to give any coach a feeling of success.

1. A beautiful setting for a golf tournament.
2. Gavit golfers anxiously await the last tabulations after turning in their score cards. 3. Sophomore, Larry Gerdich selects the right club for a practice shot.

Girls Track Moves Into Action . . .

This season was one of rebuilding and new experiences for the girls. With many new members, the girls worked their way up in Conference during the season.

The team started the season with an indoor Conference meet, the first year for such an event. At the meet sophomore Judy Hollandsworth took a Conference champ title as she placed first in the shot put. The team came in fifth overall.

Following this meet, the regular season began and the girls worked hard to improve. Running in two,

sometimes three or four meets a week, the girls gave an all-out effort to end the season with a 9-7 record. Their hard work brought the team up to third place in Conference in dual and tri-meets. Their season Conference record was 6 wins and 2 losses.

At the outdoor Conference meet Judy Hollandsworth again took first place in Conference for the shot put. She qualified for Sectionals in this event. Also qualifying for Sectionals were Kay Stephens in the 800 meter run, Sue Rowe, Rose Graczyk, and Kay Stephens in the discus, and the

800 relay team consisting of Deanne Richter, Sue Rowe, Linda Brandhandler and Kathy Pucalik.

The game of soccer has become increasingly more popular throughout the United States, and Gavit High School is no exception. Although it is one of the roughest contact sports played in high school, it is played with very little protection. Because of this it requires a lot of skill and forethought. Not only does a soccer player have to kick the ball, block the other team, and run up and down the field, but he also has to watch out for the other team's players who have the same ideas. People who play this game must be very skillful.

Soccer Team Kicks Off

To A Winning Season

Gavit's team of twenty-three men, lead by Seniors Ken Osorio and Tim Eder, kicked to a 6 and 2 record. Their new coach, Luis Zubillaga, had to start from the beginning with training, rebuilding, and shaping up the team.

This fast moving, competitive sport has to be a team effort, and each member must give 100%. Goalie David Taylor has done an exceptional job this year, but not without the help of the rest. This group of guys who run, kick, and scream down the field are Gavit's soccer team.

Working Through The Seasons

As the seasons changed during the 1979-80 school year, the staff put together your yearbook. They filled it with pictures and information of many cherished events.

Long hours during the summer, study halls, classroom and after school were devoted to making your yearbook. Workshops were attended by the class and a workshop during

the summer was attended by Susie LaVelle and editor Karen Gaither. Everyone sold ads, made layouts, cropped pictures — all this had to be done to make the 1979-80 yearbook.

Current Events Of '80

"The beginning of a new decade" ... "Answer the census, we're counting on you" ... "Should women be drafted?" "Gas prices reach sky high rates" ... "Fifty Americans taken hostage in Iran" ... "Are you a '10'?" ... "Gasohol across America" ... "U.S. olympic athletes take the gold" ... "Number 1 album, Pink Floyd's 'The Wall'" ... "Eric Heiden first speed skater to take the gold in all five events" ... "Best movie — Kramer vs. Kramer" ... "Presidential candidates campaign to win seat" ... "Who" concert ends in tragedy" ... "Gold and Silver reaches record high" ... "Rock and Roll forever" ... "Federal Reserve tightens credit — the prime rate hits 20 percent" ... "Is the mini-skirt on its way back?"

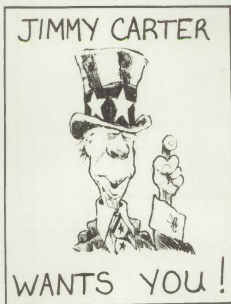

Gas prices near \$2.00 a gallon.

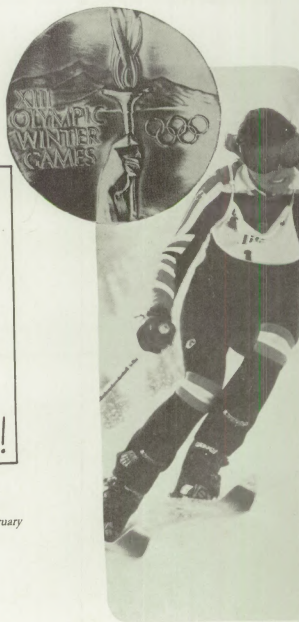

American citizens throughout the U.S. pray that the hostages in Tehran, Iran will be freed.

We're counting on you. Answer the census.

CENSUS '80 APRIL 1

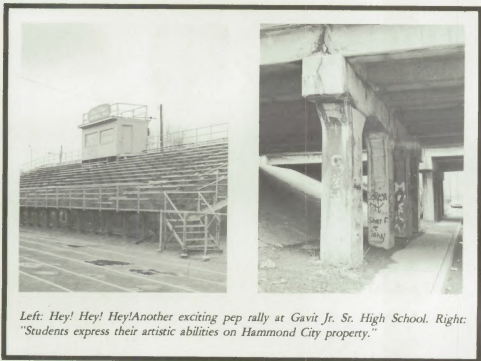

The Winter Olympics were held in February at Lake Placid, New York.

Mrs. Penny's Senior English classes held an English style formal tea with lots of different foods.

Left: Hey! Hey! Hey! Another exciting pep rally at Gavitt Jr. Sr. High School. Right: "Students express their artistic abilities on Hammond City property."

Happenings At Gavitt

Now that the 1980 school year is over many students will look back and remember the great times — going out with friends to games and dances. The football homecoming was filled with rowdie students and after the pep rally, everyone showed their school spirit by painting the bridge which has become a tradition over the years. These were just a few to remember, but why not remember some of the other less rowdie ones: making the honor roll, getting a date with the number one guy or gal, spending a day in I.S.S., your class winning the spirit award, studying in homeroom for your second hour test, etc. Everyone seemed to enjoy themselves in school activities whether in or out of school!

Nothing stopped Jimmy Gavrilos from going to Gavitt's Winter Inaugural.

Looking into the Future

The beginning of the New Decade

In memoriam

Dr. Willard J. Congreve, born August 16, 1921 — passed away November 29, 1979. Dr. Congreve is survived by his loving wife Beth, and two daughters Judy and Linda. Dr. Congreve served as Superintendent of the Hammond Public Schools since July, 1975. He will be sadly missed by all who knew him.

"If death is not the end of life, but merely the beginning of a higher and better life, then all of life becomes different. We are no longer creatures of a day, but masters of eternity."

Knowledge
is a
gift
given to
us which
we use
throughout
our life.

The yearbook staff worked year round on the 1979-1980 yearbook.

During the SUMMER, we sold ads and planned the coming yearbook. Workshops were attended by Sue LaVelle and Editor Karen Gaither. As FALL approached and school began the yearbook staff started to prepare for the coming year of yearbook making. Since the yearbook staff consisted of new workers, everyone had to learn layout preparing, copy writing, picture scheduling, etc. The deadlines were troublesome and hectic, but everyone stuck together and pulled through with flying colors. Throughout WINTER and SPRING the staff worked to get the yearbook to everyone in August. This year was the first year for the yearbook to come out in August, and we hope that all students especially seniors, will enjoy having the full school calendar presented.

This 1979-1980 yearbook was printed by Josten's Yearbook Company with a type of 17i Garamond Italic. For the headlines we used 30 pt., copy, 12 pt., captions, 10 pt., and kickers (type at bottom of page) 8 pt. Garamond Italic. For the fancier headlines, we used format. To help us with problems was our Josten's representative, Mr. Bob Henning, who was a great help especially with the senior portrait section.

The other people who deserve much thanks are Harry Dudzik and Jerry Misiewicz (Bodie Photographers) and Steve Muehlman (Student Photographer). Thanks to Mrs. Kathleen Canner, our yearbook advisor, and Mr. Bob Henning, and to all students, teachers, and administration who cooperated with us in our attempt to create a great book. Special thanks to the dedicated yearbook staff in helping produce this book.

Thank you,

Editor-In-Chief,
Karen Gaither

1. Mrs. Canner and Karen Gaither seem to enjoy the end of the year joys after another year's making of a Gavit Futura.
